## About the Author

I'm a busy mom of two young kids, and I know how hard it can be to find fun activities to do with them that are also educational. That's why I wrote this book. I wanted to create a resource for other busy parents that would provide them with a variety of fun and engaging activities that they could do with their kids.

I hope you enjoy this book as much as I enjoyed writing it!

Sincerely,

Your friendly neighborhood mom
