Led by the enigmatic and resilient Anya, this band of survivors embarks on a perilous journey to find a new home and rebuild their lives. Along the way, they encounter formidable adversaries, both human and mutated, who threaten their very existence.

As they navigate the treacherous post-apocalyptic landscape, the survivors are forced to confront their own limits and question the boundaries of morality. In a world where resources are scarce and danger lurks around every corner, they must decide what it means to be human and what sacrifices they are willing to make to survive.
