In the realm of Greek mythology, Pandora was a beautiful woman created by Hephaestus, the god of fire, at the behest of Zeus, the king of the gods. Pandora was given many gifts by the gods, including beauty, intelligence,

and curiosity. However, she was also given a jar that she was forbidden to open.

Pandora's curiosity got the better of her, and she opened the jar. Out flew all the evils of the world, including sickness, poverty, and war. Only one thing remained in the jar: hope.

The story of Pandora is a cautionary tale about the dangers of curiosity and the importance of patience. It teaches us that we should not be too hasty in our actions, and that we should always think before we act.

Be Patient Pandora is a charming and insightful book that teaches children the importance of patience through the story of Pandora. With beautiful illustrations and a heartwarming message, this book is a must-have for any child's library.

What parents are saying about *Be Patient Pandora*:

“My children love this book! They have learned so much about patience and self-control from reading it.”

“This book is a great way to teach children about the importance of thinking before they act. I highly recommend it.”

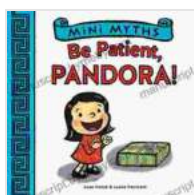

““My children ask me to read this book to them every night. It's a wonderful bedtime story that helps them to wind down and relax.””
