### **What is the ambitious card trick?**

The ambitious card trick is a classic of magic that has been performed by magicians for centuries. The magician shows the audience a card, and then makes it rise to the top of the deck, or even to the top of a different deck. The trick can be repeated multiple times, and it always gets a great reaction from the audience.

The ambitious card trick is a simple trick to learn, but it takes practice to master. The key to the trick is to be able to control the movement of the cards. This can be done by using a variety of techniques, such as sleight of hand and misdirection.

### **How to perform the ambitious card trick**

The ambitious card trick can be performed with any deck of cards. The first step is to choose a card. You can choose any card you want, but it's best to choose a card that is easy to remember.

Once you have chosen a card, show it to the audience. Then, place the card on the bottom of the deck. Now, start to deal the cards one at a time. As you deal the cards, keep your eye on the chosen card. When the chosen card reaches the top of the deck, stop dealing.

Now, take the top card of the deck and place it on the bottom. Then, start dealing the cards again. Keep your eye on the chosen card. When the chosen card reaches the top of the deck again, stop dealing.

Repeat this process until the chosen card is on the top of the deck. Then, show the audience the card and take a bow.
