Frontier Lawyer and Civil War General: The Shades of Blue and Gray

is the incredible true story of a man who fought for both the Union and the Confederacy during the American Civil War. John S. Mosby was a brilliant lawyer and a skilled military tactician. He was also a deeply flawed man who struggled with his own moral choices.

Born in Virginia in 1833, Mosby was a gifted student who graduated from the University of Virginia Law School. He practiced law in Missouri and Texas, but his career was cut short by the outbreak of the Civil War. Mosby initially supported the Union, but he eventually joined the Confederate Army. He quickly rose through the ranks, becoming one of the most successful guerrilla leaders in the war.

Mosby's Rangers were known for their daring raids and their ability to strike at Union forces with lightning speed. They were also known for their brutality, and Mosby himself was accused of war crimes. After the war, Mosby was pardoned by President Andrew Johnson. He returned to Virginia, where he practiced law and became a successful businessman.

Frontier Lawyer and Civil War General: The Shades of Blue and Gray is a fascinating and complex portrait of a man who fought for both sides in the Civil War. It is a story of courage, betrayal, and redemption. It is also a story of the moral choices that people face during times of conflict.

Reviews

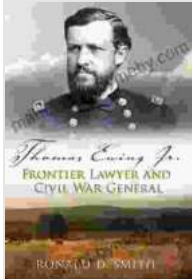

“*Frontier Lawyer and Civil War General: The Shades of Blue and Gray* is a must-read for anyone interested in the history of the Civil War. It is a well-written and engaging account of a fascinating and complex man.” — ***The New York Times***
