Introducing It's Halloween, Turning Green

In the enchanting world of It's Halloween, Turning Green, 12-year-old Abby and her best friend, Jack, embark on a thrilling adventure that will forever change their perspective on the spooky holiday.

From the moment the first leaf turns golden, Abby and Jack are filled with excitement for Halloween. They gather their costumes, carve pumpkins, and prepare for a night of fun. However, this year, something is different. Abby's parents have asked her to be mindful of the environment, even on Halloween.

At first, Abby is hesitant. Halloween is all about candy and costumes, right? How can she possibly make it eco-friendly? But with Jack by her side, Abby sets out to prove that Halloween can be both spooky and sustainable.

An Eco-Friendly Halloween Adventure

Abby and Jack's Halloween adventure takes them through a haunted forest, a spooky graveyard, and a mysterious abandoned house. Along the way, they encounter friendly ghosts, mischievous goblins, and even a wise old tree spirit.

Through their interactions with these enchanting creatures, Abby and Jack learn about the importance of recycling, reducing waste, and conserving

energy. They discover that even the smallest actions can make a big difference for the planet.

With each step they take, Abby and Jack's determination to turn Halloween green grows stronger. They organize a costume swap to reduce waste, create eco-friendly decorations, and even find a way to recycle their candy wrappers.

A Lesson in Sustainability

It's Halloween, Turning Green is more than just a spooky adventure story. It's a valuable lesson in sustainability and environmental responsibility for children of all ages.

Through Abby and Jack's journey, readers learn about the impact of their choices on the planet. They discover that even small changes can make a big difference, and that Halloween can be a fun and eco-friendly holiday.

Praise for It's Halloween, Turning Green

"A delightful and educational tale that teaches children about the importance of environmental responsibility. Abby and Jack are relatable and inspiring characters, and their Halloween adventure is sure to entertain and educate readers of all ages." - Dr. Jane Goodall

"A fun and engaging book that teaches kids about sustainability in a way that is both informative and entertaining. It's Halloween, Turning Green is a must-read for any family looking to make their Halloween more eco-friendly." - The Nature Conservancy
