But Maya is determined to face her fear. She practices her performance over and over again. She talks to her friends and family for support. And on the day of the performance, she takes a deep breath and steps out onto the stage.

At first, Maya is nervous. But then she remembers all the hard work she's put in. She remembers the support of her friends and family. And she remembers that she loves to sing and dance.

Maya takes a deep breath and begins to sing. Her voice is clear and strong. She dances with grace and passion. And the audience is captivated by her performance.

Maya's performance is a success. She overcomes her fear and shows the world her talent. But more importantly, Maya learns that she can do anything she sets her mind to. She learns that she is strong and capable. And she learns that she is loved.

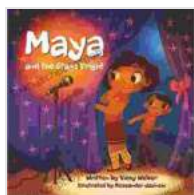

Maya and the Stage Fright is a heartwarming story about overcoming fear. It's a story that will inspire children of all ages to face their fears and to follow their dreams.
