About the Book

Primal Leadership: Unleash the Power of Emotional Intelligence is a groundbreaking book that has revolutionized the way we think about leadership. Written by renowned authors Daniel Goleman, Richard Boyatzis, and Annie McKee, this book provides a comprehensive

framework for understanding the role of emotional intelligence in effective leadership.

Based on extensive research and case studies, **Primal Leadership** argues that emotional intelligence is not just a nice-to-have skill for leaders, but rather a fundamental requirement for success. Leaders who are emotionally intelligent are able to:

- Build strong relationships with followers
- Motivate and inspire others
- Manage their own emotions and the emotions of others
- Make sound decisions under pressure
- Foster a positive and productive work environment

The book provides a detailed model of emotional intelligence, outlining six core competencies:

1. Self-awareness
2. Self-regulation
3. Motivation
4. Empathy
5. Social skills
6. Vision

Primal Leadership then goes on to show how leaders can develop these competencies and apply them in their daily work. The book provides

practical tools and exercises that can help leaders improve their emotional intelligence and become more effective leaders.

Benefits of Primal Leadership
