## About the Book

Thorfinn and the Rotten Scots is a historical fiction novel for children that tells the story of Thorfinn Karlsefni, a Viking who traveled to North America in the 11th century. The book is full of adventure, humor, and suspense, and it teaches young readers about the history of the Vikings and their impact on the world.

Thorfinn is a young Viking who is not like the other Vikings. He is not interested in fighting or raiding. Instead, he prefers to explore and learn about new cultures. When Thorfinn hears about a new land to the west, he decides to set sail and find it.

Thorfinn's journey takes him to North America, where he meets the Native Americans. The Native Americans are not like the Vikings. They are peaceful and welcoming. Thorfinn learns a lot from the Native Americans, and he begins to see the world in a new way.

One day, Thorfinn and his crew are attacked by a group of Scots. The Scots are cruel and greedy. They want to steal Thorfinn's ship and his treasure. Thorfinn and his crew must fight for their lives.

Thorfinn and the Rotten Scots is a thrilling adventure story that teaches young readers about the history of the Vikings and their impact on the world. The book is also a great way to learn about different cultures and how to get along with people who are different from us.

## **Author's Note**

I wrote Thorfinn and the Rotten Scots because I wanted to tell a story about a Viking who was different from the other Vikings. I wanted to show that there were Vikings who were peaceful and curious, and who wanted to learn about new cultures.

I also wanted to write a book that would be fun and exciting for young readers. I hope that Thorfinn and the Rotten Scots will inspire young readers to learn more about the Vikings and their history.

## **Reviews**

"Thorfinn and the Rotten Scots is a great book for kids who love adventure stories. It's full of action, humor, and suspense, and it teaches young readers about the history of the Vikings in a fun and engaging way." - Our Book Library reviewer

"My son loved this book! He couldn't put it down. He learned a lot about the Vikings and their history, and he had a lot of fun reading about Thorfinn's adventures." - Goodreads reviewer
